**Task 1:**

The screenshot displays the Microsoft Azure portal interface for the 'myRGLocks' resource group. The top navigation bar includes the Microsoft Azure logo, a search bar, and user information. The left sidebar lists various management tools. The main content area shows the 'Overview' tab for the resource group, which is currently locked. A table under the 'Resources' section shows 0 records. A notifications pane on the right provides real-time updates, including a failed deletion attempt and successful creation messages.
